## Meet the… Coach

### Gavin Kay, Coach for WHE Hockey Senior Section

Gav started playing hockey when he was 14, for Slazenger's hockey club. He originally played for WHE in 2009/10 when he moved to London for teacher training at London Met. He went on to play for #theenemy (Southgate) for a couple of years before retiring from hockey due to various injuries. "*I came back to WHE in 2015 to take on the role of Men's & Women's coach, which I am thoroughly enjoying. The coaching role has presented me with the opportunity to create a fantastic link with my school hockey club and WHE to enable pupils to make the transition from playing junior to adult hockey*". There are currently 6 Fortismere pupils playing across the Men's and Ladies hockey teams at WHE!

*Did you know…* After retiring from hockey, Gav has developed an obsession with golf ☺
