February Round-up

Finally another #W for the **Ladies' 1s**, but it's not enough to pull them out of the relegation zone... Three #W's for the **Men's 1s** and #threepoints for the **Ladies' 2s** means both teams are comfortably mid-table with only a few games of the season left! **Men's 2s** are still chasing promotion after 3 big #W's this month!

Meet the... #DeaneTeam!

Beth, Sam and Pippa Deane - Ladies Club, 1s and 2s Captains respectively!

The girls joined Enfield HC sometime from 1998 onwards. Sam and Pip can always be found somewhere in defence. Beth, however, "recently discovered that my true calling is upfront!"

Over the years -between the arguments- the Deane Team have been calling each other many names, most notably fatty, spam and poo. Daddy (Rob) Deane has been on call as an umpire, taxi driver, supporter and more recently honorary coach!

Did you know... Beth can't really see out of her right eye (don't lift balls near her!). At the London youth games, Sam kicked the queen when getting a medal [grossly exaggerated] and Pippa welcomed her new 13yo GK by giving away 2 flicks in her first 2 games!

The Deane Team is also open to new applicants, with honorary and adopted Deanes ☺
