December Round-up

Two wins for the **Men's 2s** means they are still **#unbeaten** and Top of the League over Christmas! A #draw for the **Ladies' 2s** keeps them comfortably mid-table and raring to go again in January! A great #turnaround for the **Men's 1s** sees them safely into the top half of the table! A draw for the **Ladies' 1s** after conceding a goal with the last hit of the game. #sadface

Meet the... Player

Chris Putt, Goalkeeper for WHE Ladies 1s,

Chris has played hockey since school, and joined Winchmore Hill in the merger with Enfield, having moved to them from Broxbourne in the early 1990s. *“I used to be a pretty decent right-half in the school teams, until our regular ‘keeper left and I took over.”* The equipment was very basic in those days, just cricket pads and steel toe-capped kickers, not a helmet or facemask in sight! Chris is also the Hon. Fixtures Sec. & Umpire Coordinator. *Did you know...* Chris was selected for the East Over-55s to represent them at the Regional tournament in Manchester last year *“and I came away with a silver medal - just goes to show, you're never too old!”* 😊
