## Welcome from the Chairman

Welcome back from what I hope was a restful and enjoyable summer (after the disappointment of the World Cup!)

Thank you to everyone who has been working hard during the off-season, helping at Back2Hockey or advertising it through leafleting or Parkruns and to Sarah and everyone else who has been tweeting it all.

There's a real buzz around the club at the moment and a lot to look forward to this season including a few new events.

The 2019 dinner is in the middle of the Easter holidays so do watch out for that when planning trips. It can still be moved if there are non-teachers willing to set up on the day- just get in touch.

Finally, we will be using the Teamo app for adults and juniors this season so if you have not downloaded it yet, please do so.

**Have a great season!**

## Other Events

### 2/09/18 Palmers Green Festival

This is a great places to recruit players and any support from members showing how friendly we are would be appreciated!

#### Various Parkruns

We have gained great publicity and recruits through Parkruns this summer and will continue to do local ones to keep it going.

### 16/09/18 Enfield Mayor's Run

An run right on our doorstep. We would like a whole team (including a GK!) in the 3k so please sign up here! <https://register.primoevents.com/ps/event/MayorsCharityFunRun>

### July 2019 Dunwich Dynamo

*Fancy a different challenge?*  
There has been talk of a team of WH&E associates entering this 120 mile nocturnal bike ride.

## Other Admin

### Teamo

We will be using the Teamo app for match availability this season.

### Kit

All kit is available from Henry Tilly at [www.HTsports.co.uk](http://www.HTsports.co.uk) We will be doing a big order at Hockeyfest to save members delivery costs.

### Fixture Booklets

These are available upon request from your captain.

# The Season Ahead

## Teams

We will be fielding 2 mens', 2 ladies' and a mixed team again this season but with a focus on recruitment, the success of Back 2 Hockey and the number of juniors progressing to the senior teams we have strong hopes of increasing that in the next few years!

Recruitment continues to be a priority so please take advantage of our membership offers and encourage friends and family to come and play.

## Subscriptions and Levies

Senior membership subs and match fees are unchanged with the exception of the Goalkeeper memberships which we have reduced to encourage a few more to join the club.

## Socials

The chairman's birthday will be the first social of the year on 22nd Sep after our opening matches- attendance mandatory!

After that, we can look forward to socials organised by each of the teams again (and maybe even an umpire's social at The Little Green Dragon!).

Finally, we will be organising a club day to play on the hallowed 'Smurf Turf' of the Lea Valley Hockey and Tennis Centre at the end of the season.

## Junior Section

New email address: [juniors.whehockey@gmail.com](mailto:juniors.whehockey@gmail.com)

Our Junior Hockey section continues to develop nicely thanks to the continued dedication and hard work of the team. As well as all the familiar faces, this season we welcome Karen Gray who takes up the role of Youth Coordinator and Adam Billimoria as an additional coach.

We had to cap membership at 70 members last season and expect similar numbers this season. We are always grateful for an extra pair of hands and a special thank you goes out to the parents who have agreed to get involved with the running of the section this season.

### Training

The first session of the season will be 23/09/18. If you know any budding young players or you would like to help support the ones we have- pop down to training or contact Karen.

### Progression

We have some very exciting talent throughout the junior section. The teams are really starting to improve their match play and are doing better with each tournament they enter. Last season saw several juniors play in the senior teams and the ladies 2s, especially, couldn't have done it without them. We are currently looking in to ways of smoothly transitioning more of our older juniors in to senior training and subsequently the senior teams. The future looks bright!

### Get involved

The juniors love it when senior players come down for a special guest appearance and it gives them a taste of what they're aiming for. This season the coaching team will be posting a calendar of skills they will be covering and would love senior members to come down and share their expertise. We know Sundays are precious, but if every member gave 1 session per season, that would mean 2 extra coaches a week which would be invaluable!

The midis match is another great way to get the older juniors ready for the transition in to adult hockey so watch out for an invite!

Finally, we will again host 2 home tournaments and it would be great for as many members as possible to come down to help, umpire or just cheer the teams on!
